Reimagining Business Excellence:

Purpose-Driven Leadership in the MENA Region

Application Process and Requirements

Applicants are asked to submit a motivation letter, accompanied by a CV to RBEUNDT@nd.edu. Applicants should include their current employment and any other relevant information. **More information about the application process:**

- Applications are open until **May 31, 2024**. Accepted applicants will be informed as soon as possible (admission is on a first-come, first-served basis)
- In the motivation letter, applicants are asked to state their email and physical address clearly. Applicants will need to be able to enter the USA
- Applicants who register for this program will receive a confirmation of registration via email. The confirmation of registration indicates that the applicant's registration has been entered into the system. This confirmation does not constitute a confirmation of acceptance to the program
- Applicants who meet all of the admission requirements will receive an email message with notification of their acceptance and will be asked to make arrangements for registration
- Accepted applicants required to submit a US visa application are kindly requested to contact us via email. Upon doing so, we will promptly offer assistance in streamlining their visa application process, if necessary
- Rejected applications will receive a message about the rejection

More information about the financial terms:

- All accepted participants will receive a full scholarship for the tuition fee (otherwise 9,500 USD). Accommodation expenses during the program will be covered, and travel expenses will be reimbursed (cap of 2,000 USD for international travel and 450 USD for domestic travel)
- To secure a place in the program, all applicants will be asked to pay a non-refundable registration fee of 500 USD, and pay a deposit of 1,500 USD that will be refunded after graduation
- More information will be shared with accepted applicants

We invite all interested to contact the email address above for any questions and to submit an application. For additional information, please visit our [website](#).
